**Cairns Warranty**—5-year shell replacement warranty

**Cairns Choice**—The most models and options on the market

CAIRNS TRADITIONAL HELMETS

## Classic 1000

Extreme protection, includes 2-layers of Kevlar composite for superior cut and penetration resistance

## Cairns 1010

Tough DuraGlas® fiberglass composite shell painted with a hardcoat paint finish

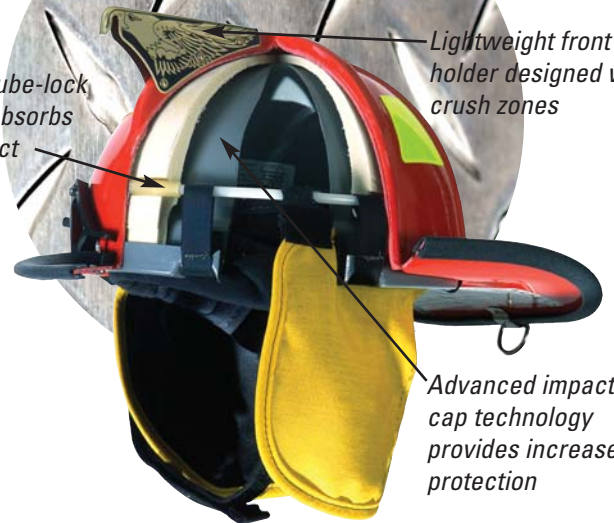

## Cairns 1044

Rugged, through color DuraGlas® fiberglass composite shell resists chipping and cracking

## Cairns Traditional

Unique tube-lock system absorbs the impact

Lightweight front holder designed with crush zones

Advanced impact cap technology provides increased protection

The Classic 1000, Cairns 1010, and Cairns 1044 are NFPA 1971-2007 certified.

### Shell Release System

- Cairns exclusive system provides an extra margin of safety demand it!
- Water-based foam for resistance to high heat and flame.

### Impact Cap Performance

- Part of a complete helmet system.
- Provides increased thermal and impact protection.
- Tube-lock system, instrumental in absorbing impact shock.

The Classic 1000, Cairns 1010, and Cairns 1044 all feature the shell release system.

# 880 Tradition

6" Front

5" Front

- Tough, thermoplastic shell for everyday durability
- Lowest profile, lightweight traditional, for superior maneuverability
- Advanced thermal impact cap provides increased heat and impact protection

880 Tradition Helmet does not include the Cairns shell release system but does incorporate the tube-lock system.

**880 Tradition Fire Helmet is NFPA 1971-2007 certified.**

## Crash Fire Rescue (CFR) Proximity System

- Easy to don and doff, this CFR system is compliant with NFPA 1971-2007
- Designed and approved with the Cairns 1000, 1010 and 1044 Fire Helmets,
- Components consist of an aluminized PBI/Kevlar layer, vapor barrier and inner layer
- Will not interfere with SCBA while in use

System consists of:

- Bonnet for <sup>1010</sup>/<sub>1044</sub> .....10041992
- Shroud for <sup>1010</sup>/<sub>1044</sub> .....10041994
- 6" gold-coated faceshield .....1071448
- 4" gold-coated faceshield .....1071444

## All Cairns Helmets listed here include the following features:

- Market-leading 5-year shell replacement warranty
- Non-corroding, high temperature-resistant faceshield/goggle hardware
- Rugged, high-temperature edge will not melt or drip
- Easy front headband adjustment for proper SCBA mask fit
- Simple rear ratchet height adjustment to fit all head sizes
- Headband size (6 3/8" to 8 3/8" for 1000/1010/1044, 5 5/8" to 7 5/8" for 880) fits a wide variety of head sizes
- Durable helmet hanger fits on large hooks and resists bending
- Minimal parts for lower service cost and easier maintenance
